

MAIDANAK OBSERVATORY
PRELIMINARY APPLICATION FOR OBSERVING TIME
OBSERVING PERIOD:
July 1, 2012 - December 31, 2012

1. Telescope:

2. Title of proposal:

3. Abstract:

4. Principal Investigator and Co-investigators: (NB: The P.I. has full responsibility for the content of this proposal!)

Name:

Institute: ,

Postal address:

Telephone:

Fax:

E-mail:

5. Co-investigators from UBAI:

6. Observing period(s) requested and preferred scheduling:

Run Instrument Time Month(s)/Date(s) Moon Seeing Sky

7. Any other special constraints on the scheduling?

8. Scientific goals the proposal is aimed to:

9. Technical description of the observations.

10. Target list with coordinates, or intervals in R.A. and Decl. of (sample of) objects:

| Run | Name | α_{2000} | δ_{2000} | Magnitude | Diam(') | Additional Info. |
|-----|------|-----------------|-----------------|-----------|---------|------------------|
|-----|------|-----------------|-----------------|-----------|---------|------------------|

11. Additional remarks not covered by the items above, if any:
